

**NOTICE
TO
CONTRACTORS AND COMMERCIAL REFUSE HAULERS**

Effective **January 12, 1998**, the current 25% limit on the allowable amount of cardboard or green waste in loads delivered to any City disposal facility will be reduced to **10%**. These materials should be separated at the source and recycled.

Effective **February 9, 1998**, the amount of construction and demolition debris in loads delivered to Waimanalo Gulch Sanitary Landfill shall be restricted to no more than **10%**. (C&D debris is already banned at H-POWER.) Nanakuli Landfill, a licensed, private C&D disposal site, can accept these materials. To avoid disposal disruptions on February 9, contractors and haulers are advised to immediately contact Nanakuli Landfill at 668-4561 about opening an account.
