Kama'aina Kids "Cash for Trash - Opala for Kala Fundraiser"

April is Earth Month at Kama'aina Kids. What is Cash for Trash-Opala for Kala? It is a lot of things. Cash for Trash-Opala for Kala was created to support the mission of Kama'aina Kids and to raise the level of awareness about the importance of caring and respecting our state and its beauty. Our goal is to imbed in the minds of our children how critical it is to care for and support our great state. In addition the goal is to raise money for the company scholarship and educational materials fund by pledging to support these great kids and the hard work they do. **Please call us for more information or if you can help (808) 262-4538.
