DIRECTOR

KENNETH A. SHIMIZU
DEPUTY DIRECTOR

IN REPLY REFER TO:

November 29, 2006

GREEN WASTE NOTICE

Due to the large increase in waste volume at the Keehi Transfer Station,

green waste will no longer be accepted effective December 18, 2006.

Householders, commercial haulers and City collection trucks with green waste will be diverted to other green waste sites and collection services. Combustible rubbish will continue to be accepted.

Green waste is plant waste -- yard clippings, tree branches, leaves etc. Please take green waste directly to the composting facility or utilize the City's curbside green waste pickup service.

Convenience centers are also available to householders for green waste recycling (refer to phone book or www.opala.org for locations); however, these sites have limited capacity. The composting facility is open seven days per week and has greater capacity to receive green waste from residents.

Drop-off green waste at

- Hawaiian Earth Products (Windward)
Kapaa Quarry Road, Kailua, 261-5877
Open seven days; 7:00 AM to 4:30 PM
- Hawaiian Earth Products (Leeward)
Campbell Industrial Park, 682-5895
Open seven days (M-F, 7:00 AM to 3:30 PM; Saturday, 7:30 AM to 3:00 PM;
Sunday, 7:30 AM to 11:30 AM)

No charge to householders. FREE mulch available for pickup.

Curbside green waste pickup

Twice-per-month pickup provided in all neighborhoods with automated refuse collection. Some communities are serviced with the new blue bin system for green waste, while other communities set out green waste in bags. For your neighborhood's pickup schedule, see the collection schedule maps online at www.opala.org or call your area collection yard:

Honolulu (Salt Lake to Hawaii Kai).....	832-7840
Kapaa (Kailua, Kaneohe, Waimanalo).....	262-7298
Koolauloa (Kahuku to Kahaluu).....	293-5657
Pearl City (Pearl City, Waipahu, Waipio Gentry, Halawa to Makakilo, Kapolei).....	455-9644
Wahiawa (Wahiawa, Kunia, Mililani, Waipio Acres).....	621-5241
Waialua (Waialua, Haleiwa, Sunset).....	637-4795
Waianae (Makaha to Honokai Hale).....	697-1178

We need your help to protect our Oahu by recycling green waste. The Hawaiian Earth Products facility turns green waste into compost and mulch. By recycling green waste there, we are keeping it out of our landfills and protecting our aina, our environment.

MAHALO!
