

Good Garbage (Lyrics and music by James McCarthy)

Note: Each verse adds a fruit. The chorus is sung separately from the verse until all the fruits are sung. Then the chorus is sung four times with the verse sung simultaneously, again adding a fruit each time (the last verse is sung at least twice. Add more fruits to make a tongue twister.)

Bananas, bananas, bananas, bananas, bananas, bananas, banana coconut

Bananas and mangos, bananas and mangos (etc.)

Bananas, mangos, papaya (etc.)
