

Reduce, Reuse, Recycle (music and lyrics by Angie Libadisos Baker)

Reduce, reuse, recycle
I wanna say it again
Reduce, reuse, recycle – uh huh
We gotta watch what we buy
What's it contained in? What's it contain?
Where will it end up? Where will it lie?
Can it be changed and used over again?
Reduce, reuse, recycle
I wanna hear you say
Reduce, reuse, recycle – oh yeah
Let's try our best not to pollute
The air that we breathe or the water we drink
Before you give that item the boot
Stop! Look around and take time to think
Reduce, reuse, recycle
Come on and say it again
Reduce, reuse, recycle right now
We gotta do it before it's too late
There's only so much that this planet can take
So reduce, reuse, recycle!
