

## **The 3 R's Song**

**Words and music by Jack Johnson**

Three! It's a magic number. Yes it is. It's a magic number.

2 times 3 is 6 ... and 3 times 6 is 18 ...  
And the 18th letter in the alphabet is "R".

We got 3 R's we're going to talk about today.  
We got to learn to...  
Reduce! Reuse! Recycle!  
Reduce! Reuse! Recycle!  
Reduce! Reuse! Recycle!  
Reduce! Reuse! Recycle!

If you're going to the market to buy some juice,  
Bring your own bags and you'll learn to REDUCE your waste.  
You got to REDUCE your waste!

If your brother or your sisters' got some cool clothes,  
Try them on before you buy some more of those. REUSE!  
You got to learn to REUSE!

And if the first 2 R's don't work out,  
And if you got to make some trash don't throw it out...RECYCLE!  
You got to learn to RECYCLE!

You got to learn to... Reduce! Reuse! Recycle!  
Reduce! Reuse! Recycle!  
Reduce! Reuse! Recycle!  
Reduce! Reuse! Recycle!

Because three! It's a magic number. Yes it is. It's a magic number.
