

Do you know your bulky item collection day?

You can find information about your Bulky Item Collection schedule and other City recycling and refuse services online at www.opala.org or call 768-3200. Watch new episodes of "Opalavision" on The GREEN CHANNEL at Oceanic 332 and on the web at opala.org. Subscribe to *WasteLine*, a bi-monthly e-newsletter. Paid for by the taxpayers of the City and County of Honolulu.

Refuse Division
1000 Ulukouia Street, Suite 201
Kapolei, Hawaii 96707

Aloha,

The City provides bulky item collection to all residential properties on a no-call, regular monthly schedule. The benefits of regular bulky item pickup are huge for our communities. Oahu's streets and sidewalks can be clutter-free and safe, and we believe this will significantly reduce illegal dumping. But only if you do your part as well -- everyone must responsibly adhere to the schedule and place items at the curb only on designated days. This will also ensure our collection crews stay on schedule.

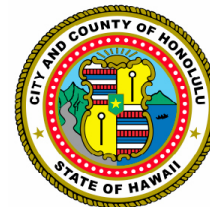

There's no excuse to dump on Hawaii. Collection services are readily available. Our refuse and recyclables are collected curbside weekly, bulky items monthly and drop-off centers are available around the island. Please take the time to know the schedules and dispose of items properly.

It is illegal to place items at the curb on any days other than the specified collection day. Property owners may be subject to fines up to \$250 per offense. Your cooperation will avoid penalties and help keep the neighborhood safe and clean.

If you witness someone illegally dumping items on your property, call 911 immediately and file a police report. This is our home, our island, our responsibility to care for its health and beauty.

Mahalo,

*Department of Environmental Services
City & County of Honolulu*

Bulky Item Collection Service

WHAT YOU NEED TO KNOW:

What is collected?

Furniture, mattresses, bed frames and box springs, rolled up and fastened carpeting, appliances (remove or secure doors), minor home repairs/remodeling material not to exceed one cubic yard.

What is not collected?

Construction materials, demolition debris, dirt, rock, concrete, large automobile parts, tires, auto batteries, propane tanks, hazardous waste, green waste, and any refuse suitable for regular once-a-week collection.

What if I miss the collection day?

Your bulky items must be stored on your property until the next month's scheduled collection. Apartment buildings and complexes are required to provide a holding area on the property. Please ask your resident manager for location of your holding area. Otherwise, you would need to hold it in your unit or make other arrangements for removal.

Where should we place our bulky items?

Bulky item trucks do not enter private property. Residents are required to put bulky items out on the curbside fronting their own property (not obstructing the sidewalk) and on the proper scheduled day for that area. For multi-unit buildings, please ask your property manager about the designated placement area for your building.

What if I can't wait for my scheduled collection day or have items unacceptable for pickup?

You may drop off bulky items at City Convenience Centers: Waianae, Ewa, Waipahu, Wahiawa, Kailua (Haleiwa), Laie, and Waimanalo — open daily, 7am-6pm. Kapaa (Kailua) open 10am-6pm Mon-Fri, 7am-6pm weekends. Convenience Centers also accept tires, auto batteries and propane tanks. More details, including location addresses, are online at www.opala.org or call 768-3200. Householders can bring construction/demolition materials directly to the Waimanalo Gulch landfill (Leeward), open seven days, 7am to 4pm. For hazardous waste, call the Household Hazardous Waste Line at 768-3201. Or you can make arrangements for private hauling services.
