Kevin’s mom asks him to take out the trash.

But when he puts all the trash in the blue cart, Blue gets sick and spits it out.

I hate when this happens.

Oh Blue, are you okay?

No, no... not all of it... I can’t have all of it.

I hate when this happens.

But when he puts all the trash in the blue cart, Blue gets sick and spits it out.
Kevin learns what to put into each cart.

Ladies first, I'll have the plastic bottles, any kind you have, the newspaper and cardboard, and oh, the glass jars and all the metal cans.

I'm not fussy, I'll take what's left.

Just the grass for me Kevin... any grass in there?
Blue, Green and Gray are happy with Kevin's work.
Oh, but before you go, we have something for you...

Blue gave Kevin a dirt bike, made of the things he recycled. Green gave him dirt for his riding track. Gray burned his trash to make electricity to make the bike go.
Hey, Kevin...
you need a spark for that bike?
All the trash you put in me gets burned for energy.

Grass and leaves will work to make a riding track of dirt.

Hey, Kevin...
you need a spark for that bike?
All the trash you put in me gets burned for energy.
Can you SORT IT OUT like Kevin did?

Draw a line from each thing to the correct cart or truck.
